

Classical Preaching Assignments for September 2024 - June 2025

July 9, 2024

THANK YOU for taking your turn in preaching in one of CAN vacant churches. This season there are **4 vacant churches** in our Classis. Other than December, the third Sunday of the month has been chosen for the pulpit supply date.

1. Classical preaching assignments for vacant churches is one way that we as churches in Classis Alberta North connect with each other. As receiving and sending churches, please make sure that you contact each other and work out the details in a timely manner. This is especially important for baptisms, Lord Supper services, and other special requests.
2. If for some reason your pastor is unable to fulfill the assignment, it is your responsibility to reschedule with the receiving church OR your Council may feel free to ask someone from the "available for preaching list" to take your place.
3. The "available for preaching list" can be found on the Classis website, under the Documents / Schedules tab We are thankful Classis can provide you with quite a list. Please make your arrangements directly with these individuals to work out specific details.
4. This schedule is a fluid document and when changes occur, you will receive a revised version. Check the revised date on the top of the document. Contact information for vacant churches is listed on the final page. Has your church been inadvertently left off the list? Please email me at lklapwyk@yahoo.ca ASAP. We're trying to keep the schedule as equitable as possible.
5. **Travelling** to and from churches? Please check the website for the travel policies and expense form claims. If you have questions regarding travel, please contact Mike Vos: classistreasurer@gmail.com
